SKIN & BODY THERAPIST Introducing **Hanel Slabbert**, your qualified Beauty Therapist

Dear clients and friends

"This is YOUR special invitation to enjoy the "Aaah...Moments" and therapeutic health services of my newly established salon, "House of Hanel".

Equipped with my 3 year qualification from the Cape Town University of Technology and internationally acquired Cidesco certificate, I have spent 7 years with highly accredited salons in Europe, Israel and the USA. Most recently I have returned to South Africa where I spent this last year with well-known Rustenburg Hydro. Now I am excited to launch out on my own in Somerset West, bringing you the best of my international training and my unique personal style.

You will be able to totally relax in the tranquil setting of RomeGlen. Body Treatments and beauty services are designed for the individual needs and preferences of each client. My specialties are facials, body treatments, aromatherapy, hotstone therapy, manicures, pedicures, and waxing. I use the finest products such as Skin Nutrition and Jeanne de Beaute.

Refresh and renew yourself, or spoil a loved one with my Grand Opening Specials below.

Looking forward to pampering you...
